Miller, Steve

From: Laundrie, Julie
Sent: Friday, January 02, 2009 2:34 PM
To: Miller, Steve
Cc: Knutson, Tryg; Erpenbach, Jon
Subject: senate joint resolution request

Hi Steve – request for a Senate Joint Resolution. Please let me know if any questions/comments.

Julie
Office of Senator Jon Erpenbach

Relating to recognizing January 28, 2009 as Data Privacy Day 2009 in the state of Wisconsin.

Whereas, the right of privacy is recognized by the state of Wisconsin by Chapter 176, Laws of 1977; and

Whereas, the state of Wisconsin has been recognized as a first tier state in terms of privacy protection by the Privacy Journal; and

Whereas, Governor Jim Doyle created the Wisconsin Office of Privacy Protection to make privacy protection a top priority; and

Whereas, on January 28, 2009, the United States, Canada, and 27 European countries will celebrate Data Privacy Day together for the second time; and

Whereas, the purpose of Data Privacy Day is to raise awareness and generate discussion about data privacy practices and rights; and

Whereas, Data Privacy Day promotes privacy awareness and education among teens, especially about online privacy; and

Whereas, Data Privacy promotes general awareness education among the public and business community on allied topics such as identity theft, national security, social networking, information security, data destruction and data transfers; and

Whereas, Data Privacy Day activities in the United States include corporations, government officials and representatives, academics, and students; and

Whereas, privacy and information security is required of all sectors— private, public, and volunteer under numerous state and federal laws; and

Whereas, Wisconsin residents and consumers expect all sectors to safeguard sensitive information they entrust with them; and

Whereas, Wisconsin desires to create a “privacy-friendly” economic climate, where consumers can live, play, and conduct business safely with a minimal risk of identity theft and having their right to privacy violated; and

Whereas, Data Privacy Day serves the important purpose of furthering international collaboration and cooperation around privacy issues.

Resolved by the senate, the assembly concurring, That the legislature of the state of Wisconsin hereby recognizes January 28, 2009 as "Data Privacy Day."

Julie Laundrie
Office of Senator Jon Erpenbach
